

Exquisite TownHome ~ Hardwood Floors * Fireplace * Stainless-Steel App

1,205 Sqft - 17116 100 ST NW, Edmonton, T5X
3G7

Property Description

clean | safe | affordable

You'll feel like you've discovered your own secret hideaway as you wander through this exquisitely finished home. Stonewood Village is a hidden gem nestled in a quiet residential neighborhood of North Edmonton, close to schools, parks, playgrounds, unlimited shopping, transportation, and CFB Edmonton - truly a preferred address!

This is a super spacious 1205 sq. ft. two-story 3-bedroom townhouse condo with a pristine basement for extra space, storage, workshop, or play. Quality UPGRADES throughout give a warm feel to this home. Your hardwood floors, deep pile carpet, and designer-chosen colour scheme are sure to satisfy.

Entertain guests in a large open living/dining area. You can gather with friends or family around a crackling FIREPLACE, or barbeque on the patio in your private yard. They'll envy your modern kitchen, complete with Stainless Steel Fridge, Stove, OTR Microwave, and Dishwasher.

This home has a main-floor Powder Room, and a generous double-vanity Bathroom upstairs - so
